...

With reference to the above G.O., I have been granted earned leave for fifteen days from 22-4-1954 (A.N.). Most of the major bridge works costing over Rs.10,000/- in the Community Project area, South Kanara which were expected to be completed by 20-4-1954 have not been completed as expected. Particularly a bridge work at Permude which is still at the foundation level. ~~This bridge~~ has been presenting little difficulty in getting up the foundation and the presence of the Assistant Engineer will be quite essential. Besides there are about six bridge works for which R.C. deck slabs will have to be provided before the on set of monsoons. Also final bills in respect of many works will have to be checkmeasured and completion reports submitted to the Government.

In the circumstances stated above and in the interest of the work, I feel that I may be permitted to avail the leave sanctioned, after the second week of May 1954 so that all the incomplete works specially in the stream beds may be raised well above the safe level.

In as much as I am undergoing an operation, I regret that I may be relieved and reverted to the parent department on the expiry of the leave.

Yours faithfully,

Please see pages 1-3 cf. The Project Executive Officer, Mangalore has submitted the leave application of Sri U.A. NOTE FOR CIRCULATION

The case relates to the grant of Earned Leave to Sri. U.A. Gaffoor, Assistant Engineer, Community Projects, Mangalore, for 15 days from 22--4--'54 afternoon to 7--5--'54 afternoon. In his leave applicatio Sri. U.A. Gaffoor, Assistant Engineer has stated that he has been advised by the Doctor to undergo an operation immediately and has requested to be relieved on 22--4--'54 afternoon. As the leave applied for by Sri. U.A. Gaffoor is only for a shor period of 15 days, it is proposed to grant him the earned leave for fifteen days from 22--4--'54 afternoon to 7--5--'54 afternoon, and repost him to the same post after expiry of the leave. As the leave is short it is not proposed to appoint a substitute during his leave. The Projec Executive Officer, Mangalore will however be instructed to carry on the work with the Supervisors. The case is circulated to M (A) for approval of the draft order below.

From the A.G. Madras, No G.V/PWI/176 dated 24-5-54. pp 15-16 c.

Please see pages 15-16 c/s. The A.G has certified that Sri U.A. Gaffoor, Assistant Engineer, Community - Projects, Mangalore is eligible for 15 days earned leave from 22-4-54, under the Madras Leave Rules.

It is submitted that Sri U. Abdul Gaffoor has not availed of the earned leave granted to him in G.O. Rt. No 534 Agriculture dated 15-4-54 as most of the major bridge works costing over Rs 10,000 in the South Kanara Project Area could not be completed before 20-4-54 as anticipated. Particularly for getting up the foundation of the bridge at Permude, the presence of the Assistant Engineer was quite essential. Further, R.C. deck slabs had to be provided for six bridges before the on set of monsoons. Bills in respect of many works had to be checked measured for submitting reports to Govt. The Asst Engineer has stated that all items of work are expected to be over by the second week of May 1954 and that he may be granted leave soon after the completion of all work and reverted to his parent office.

In the circumstances, the orders issued in G.O. Rt. No 534 Agriculture dated 15-4-54 granting him leave from 22-4-54 to 6-5-54 will not hold good now. Sri. Gaffoor may be granted leave for 15 days from the date of relief and reverted to his parent Department on the expiry of the leave. At the same time, the Chief Engineer, P.W.D (Gen & Bldg) may be requested to suggest a suitable Assistant Engineer in the place of Sri U. Abdul Gaffoor. A draft Memo is submitted for approval.
